Three Reasons to Love P-touch®

The Brother SIMPLY STYLISH™ Line of P-touch Labelers

With three great models to choose from, it is now easier than ever to find the perfect labeler to help you get organized!

Part of the Simply Stylish family of models, the PT-90, PT-1090 and PT-1290 all share a fresh, clean design as well as built-in “Deco Mode” patterns — enabling users to create extra-stylish labels that are more decorative than traditional labels.

Each model offers unique features and designs — suited specifically for the Personal, Family, and Home Office user.

---

**PERSONAL**

The PT-90: offers three changeable faceplates to customize your labeler. With its “Deco Mode” feature, you can add up to 8 stylish patterns to your home labeling applications. Featuring an easy-view, 12-character LCD display and typewriter style keyboard, the PT-90 prints non-laminated labels in two width sizes.

---

**FAMILY**

The PT-1090: features a convenient “Feature Dial,” which facilitates easy menu navigation. The Time & Date function lets you print labels for leftovers and other dated items, while the Cable Labeling feature helps keep your wires and cables organized. With its 12 built-in “Deco Mode” patterns, you can create decorative labels. Uses laminated “TZ” series tapes — perfect for indoor or outdoor use.

---

**HOME OFFICE**

The PT-1290: provides a dedicated “Deco Mode” key that gives you easy access to 15 unique pre-designed label formats — including professional layouts that accommodate 2 rows of text. Easily switch between 2 fonts with the touch of a button. Create decorative laminated labels, and when you’re done — use the built-in memory to store up to 9 of your most frequently used labels.
